

Women in TV, Radio, Cinema, Theatre
Laura Lou Levy
East Orange, NJ

Oprah Winfrey is a trail-blazer, who showed this country and the world that, with her dynamic resilience and in her fearless vulnerability, she could become the powerful, charged beacon she is, to girls and women everywhere.

This drawing was made for a story for The Wall Street Journal. The original is not available but good-quality copies of it are, and 100% of proceeds from sales will go to Drawing Rooms, in support of everything they do.
